FLOORING SOLUTIONS

FLOOR CARE + SURFACE PREP

Helping you tackle all your floor care, cleaning, and removal needs

Herc Rentals has the equipment you need to strip, clean, buff or restore any kind of floor from wood to cement and all in between. Rent the gear you need now!

**Scrubbers**
From small, walk-behind scrubbers with cleaning widths of 15-inches, go big with ride-on scrubbers with 40-inch cleaning widths or something in between.

**Sweepers**
Dirt and dust disappear, grime gone, and sand swept away. Walk-behind or ride-on sweepers can clean up to 122,000 sq. ft. per hour indoors and out.

**Scrapers**
Difficult floor removal project become easy when you rent from a wide selection of scrapers. With the capability to tear through 120-feet of flooring in a minute, floor projects won’t have to be an all-day affair.
Sanders and Buffers
Smooth and shine floors easily and efficiently with Herc Rentals sanders, buffers and floor maintainers. Whether you need to sand, grind, strip, scrub or polish virtually any kind of floor indoors or out.

Shot Blasters
Prepare your any coating or overlay with Herc Rentals shot blasters. This one-step method for stripping, cleaning and profiling floors produces a rough texture that improves adhesion of a floor’s decorative coating.
