SPOT COOLERS

Spot Coolers can be used in large or small areas for all of your cooling or heating needs. These units allow you to cool or heat targeted areas - representing substantial energy savings in comparison to central air.

BEAT THE HEAT WITH
ON-DEMAND PORTABLE COOLING 24/7

MOVINCOOL // CLIMATE PRO 12

- Highest-performance unit in its class by actual measured output
- High cooling capacity of 10,200 Btu/h (11,500 Btu/h ASHRAE Standard 128-2001)
- High heating capacity of 9,900 Btu/h
- Large, easy-to-read LCD display provides on-screen diagnostics, with step-by-step instructions to start, set up or restore operation.

Remediation & Climate Control Trailer

ProSolutions Remediation specializes in rental equipment and services related to restoration and drying equipment, emergency power and distribution, and climate and humidity control with a quick response and expert approach when it matters most.
MOVINCOOL // CLASSIC 14

• Digital temperature control. Set the desired temperature and walk away.
• Operates on standard 115v power.
• Provides up to 13,200 Btu/hr of cool air. Maximum spot cooling to just the spot that needs it.
• Handles temperatures up to 113°F. Provides cooling in the hottest environments.

MOVINCOOL // CLIMATE PRO 18

• Highest-performance unit in its class by actual measured output
• High cooling capacity of 14,600 Btu/h (16,800 Btu/h ASHRAE Standard 128-2001)
• High heating capacity of 13,700 Btu/h
• Large, easy-to-read LCD display provides on-screen diagnostics, with step-by-step instructions to start, set up or restore operation.

MOVINCOOL // OFFICE PRO 60

• 24/7 programmable operating modes
• Provides 60,000 Btu/h of cool air, maximum spot cooling to just the room that needs it
• No costly installation necessary, simply roll it in, plug it in, turn it on
• Condensation pump included, pumps water to remote drain for uninterrupted operation
• Operates automatically after-hours or during weekends with easy-to-use controls

HEATING + COOLING

Automatic computer cooling and drying making water damage restoration quick and easy. Many units available with heat.

Applications / • Comfort cooling for workers • Thermal protection • Data centers • Closet server rooms
