Saws, Drills, Drill Press, Drywall Sander, Rotary Hammers and Breakers

SAWS

DEWALT/DWS780

- Adjustment free cut line indication
- Dust collection captures over 75% of dust created 2 x 16 dimensional lumber at 90 degrees and 2 x 12 at 45 degrees

DEWALT/DWS745

- Highly portable table saw with steel roll cage
- Tool free adjustment of guarding components
- Adjustable rear foot levels saw on uneven surfaces

DEWALT/D28715

- 5.5 HP motor provides more overload capacity
- Adjustable fence for fast/accurate angle cuts
- Extra-wide solid steel base

MAKITA/5402NA

- Ideal for cutting large and treated lumber
- Low noise level (87dB)
- Blade stabilizer for consistent rotation and superior performance

DEWALT/DW311K

- Powerful enough for heavy-duty applications
- Easily adjust depth of cut
- Variable speed

DEWALT/DWM120K

- Steel shroud and rubber bumpers
- 5" deep cutting capacity
- Variable speed for specific applications

DRILLS

DEWALT

DEWALT/DW130V

- Variable speed and reverse available for mixing
- Lightweight and soft grip handles for user comfort
- Multiple positions for all drilling and mixing

DEWALT/DW297

- Impact wrench with soft grip handle
- Forward/reverse rocker switch

DEWALT/DW124K

- Stud and joist drill kit with adjustable handles
- Low speed/high torque gear settings

DRILL PRESSES

STIHL

Milwaukee

STIHL/BT45 WBD

- Lightweight, gas-powered wood boring drill
- 2 speed, multi-directional gearbox

MILWAUKEE/4210-1

- Electromagnetic drill press
- 3/4 inch chuck for fast and easy bit changes
- 350 no load RPM geared low for maximum torque

Flex	GES	1,100-1,650 rpm	4.2 amps	60"	8.9 lbs	39 in	100-5060

VACUUMS

HILTI

EDCO

Husqvarna

HILTI/VC 150-10 XE

- 150 CFM 120v 16 Amps
- Built in power outlet with auto-on function
- Dust control solution for electric rotary drills and breakers

EDCO/VORTEX 200

- 200 CFM 120v 16 Amp
- 2" x 25-foot hose
- Dust control solution for large grinders and scarifiers

Vacuums used for silica dust control must have a built-in filter cleaning mechanism, filter with 99% or greater efficiency and 125 CFM or greater air flow.

DID YOU KNOW?

HILTI/VC 300-17 X

- 300 CFM 120v 16 Amps
- HEPA Ready
- Dust control solution for rotary drills, breakers and large grinders

HUSQVARNA/S26

- Jet Pulse pre-filter cleaning, hour counter and vacuum meter
- Ideal for use with walk-behind concrete grinders and scarifiers
- Longopac™ bag system ensures dust-free bag changes
- 258 CFM 120v 20 Amps
