AERIAL LIFTS

MORE LIFT LESS WEIGHT

Need more lift? Compact Crawler Aerial Lifts by JLG will get you wherever you need to go, indoors or out. Its low-profile, advanced maneuverability will allow you over-head access around your job site. But its narrow chassis will make the difference when you also need easily access to public buildings and narrow areas such as single doorways, gates, and stairs.

Compact Crawler is quiet and environmentally friendly, allowing you to use it indoors or out. Chose from the standard AC power, gas or diesel engines, or an optional Lithium-ion electrical system that doesn’t produce emissions.

For a complete listing of equipment please visit HercRentals.com.
Compact Crawler Booms

JLG // X600AJ  CAT-CLASS: 464-1022

JLG // X770AJ  CAT-CLASS: 464-1036

The Compact Crawler’s one-touch, outrigger leveling with an interactive display, make it easy to operate. And because its light weight, you can feel confident sensitive flooring and landscapes will never be damaged.
