FLEET AND TELEMATICS

UTILIZATION

1. Navigate to the **Fleet and Telematics** section.

2. Click on a piece of equipment from the map or from the list on the right of the screen.

3. On the Equipment Summary page, you will see **Utilization**.

4. Click **See All** for a detailed view of the equipment utilization metrics.

5. Filter display metrics from today, last 5 days, last 7 days, or select date, along with the option to check a box to exclude weekends.

6. The following utilization metrics are shown (when applicable):

    a. Last Start

    b. Utilization Percentage based on day(s) selected

    c. Engine Hours

    d. Engine Idle Hours

    e. Hours Used

    f. Total Mileage

    g. Usage Timeline
